---

Name Deborah Rainer

Academic rank Senior Lecturer/Clinical Coordinator

CCC status CCC/SLP Date employed 10/83

Tenure track? No Tenured? No

1. Degree	Institution	Year	Major
MS	Baylor University	1982	Speech/Language Pathology
BS	Baylor University	1981	Education with emphasis in Speech/Language Pathology

*Honors/Awards:*

2022 – Received ACE award for continuing education from American Speech-Language and Hearing Association.

2021 – Received ACE award for continuing education from American Speech-Language and Hearing Association.

2021 – Honored by Texas Speech-Language and Hearing Association Certificate of Appreciation

2019 - Honored by Pi Phi Teacher Book Dedication  
Honored by Texas Speech-Language and Hearing Association Certificate of Appreciation  
Awarded the Award for Continuing Education (ACE) from American Speech-Language and Hearing Association

2017 - Honored by Alpha Chi Omega Apple Pies for classroom teaching  
Honored by Pi Beta Phi Teacher Book Dedication

2016 – Honored by Alpha Chi Omega for outstanding performance in the classroom  
Honored by Apple Pies with Alpha Chi  
Awarded the Award for Continuing Education (ACE) from American Speech-Language and Hearing Association

2015 – Honored by Zeta Tau Alpha Professor Reception  
Honored by Pi Beta Phi Faculty Book Dedication  
Honored by Alpha Delta Pi Reception for Honoring Faculty

2014 – Honored by Chi Omega and Kappa Kappa Gamma Faculty Appreciation Mixer  
Honored by Chi Omega at Chili Cook-off Faculty Appreciation Dinner

2013 – Honored by Chi Omega and Kappa Kappa Gamma Faculty Appreciation Mixer  
Honored by Mortar Board at Faculty Appreciation Dinner

2012 – Honored by students at Panhellenic Faculty Christmas Party

2011 – Honored students at Panhellenic Faculty Christmas Party

2010 – Honored by Zeta Tau Alpha at their professor reception

2008 - Honored by Zeta Tau Alpha at their professor reception  
Nominated to Who's Who Among Young Professionals

2007- nominated to Who's Who in America and Who's who Among Executives and Professionals in Speech and Language Healthcare  
Honored by Greeks at Faculty Appreciation Reception

2006: Delta Delta Delta Apple Polishing  
Zeta Tau Alpha Professor Reception  
Theta Kappa of Chi Omega – faculty coffee  
Empire Who's Who of Women in Education

2005 – Honored by Zeta Tau Alpha at the Annual Professor Reception

2004 - Received the Circle of Achievement Professor Recognition award by Mortar Board

2004 – Earned ACE award for continuing education hours from American Speech, Language, Hearing Association.

#### *Teaching Activities:*

Taught and currently teaching Residential Clinical Methods 4477 from spring, 2002, to present. Average number enrolled has been 46 in 2021 and 2022, varying between 15 to 54 depending on the semester since 2002.

Taught and currently teaching Residential Leveling Observation and Leveling Clinical Methods, fall 2020-present. Average number enrolled in each section was 3-5

Graduate Externship, 2015 to present. Number enrolled varied between 15 and 36.

Taught online Clinical Methods and Observation for leveling students from fall 2019 – spring 2021. Average number enrolled in each section was 10-20.

Taught and currently teaching online Practicum 2 and/or 3 from fall 2020-present. Average number enrolled in each section 10-20.

Graduate Practicum, spring, 1994 to 2020 Number enrolled varied between 4 and 18.

Taught Diagnostic Methods, 1986.

Taught Clinical Undergraduate/Graduate Practicum 1983-1994.

#### *Other Achievements*

2022 - Aided the department in annual accreditation from Council of Academic Accreditation as well as the Southern Accreditation Council.

Responsible for contractual agreements, clinical clock hours, immunization records, background checks, drug screens for all residential graduate students.

2021 – Aided the department in annual accreditation from Council of Academic Accreditation as well as the Southern Accreditation Council.

Responsible for contractual agreements, clinical clock hours, immunization records, background checks, drug screens for all residential graduate students.

2020 – Aided the department in continuing accreditation from Council of Academic Accreditation

Aided in the revision of clinical of the graduate handbooks – both online and residential.

Revised portion of the Clinical Faculty Handbook.

Responsible for all contractual agreements, clinical clock hours, immunization records, background checks and drug screens for all residential graduate students from 1990-present.

2019-2020 Responsible for building the courses Clinical Methods, Clinical Observation, Practicum 1, 2, 3, and Internship for the online program.

- 2019 – Revised the Online Graduate Handbook (Clinical Portion)  
 Revised the Residential Graduate Handbook (Clinical Portion)  
 Revised the Clinical Faculty Handbook  
 Completed a peer review for Plural Publishing on a revision of Clinical Observation
- 2017 - Completed a peer review for the new book on Clinical Observation for Plural Publishing  
 Updated the Clinical Faculty Handbook  
 Participated in the community stuttering support group  
 Actively sought and brought 17 new contractual agreements for student placements with 8 renewals nationally  
 Met with Musical Theatre, Truett Seminary and the School of Music to engage their students in voice clinic.  
 Met with Piper Center, Waco ISD, and Hillcrest Hospital to expand placements for students.  
 Obtained \$1000 in community funding for a child's adaptive car
- 2016 – Updated Clinical Supervisor Handbook  
 Updated the Handbook for Supervisors in medical settings/educational settings
- 2012 – Developed and directed the completion of the supervisory handbook  
 Aided the department in continuing accreditation from Council of Academic Accreditation
- 2011 – Revised the clinical portion of the departmental graduate handbook  
 Wrote 1/3 of the new departmental supervisor's handbook
- 2009 – Revised and Published a pamphlet on Locations of Internships and Professional Positions performed by Baylor University Communication Sciences and Disorders Students and Graduates.
- 2008 – Coordinated and/or directed 3 new summer camps through our department – Stuttering Camp, Life Enrichment Camp, and Language Enrichment Camp for Hearing Impaired Children. A poster session on this activity was presented at Texas Speech, Language, and Hearing Convention with Janice Stewart, Carrie Caviness, and Donna Powell in April, 2009.
- 2008 Reviewed another book for Thomson/Delmar on a revision of the textbook, Assessment in Speech Language Pathology, 4e. The first review included only 5 chapters, but the last review was the entire publication. My name is mentioned in the front as a reviewer.
- 2007 Revised and recompiled Handbook for Clinical Supervisors in Speech/Language Pathology for supervisors in medical settings working with students from this program
- 2005- 2006 Served as a peer reviewer for Thomson/Delmar Publishing on a revision of the textbook entitled, Treatment Resource Manual by Roth/Worthington.
- 2004 - Revised the Handbook for Clinical Practicum for Baylor students in our program.  
 Aided the department in continuing accreditation from Council of Academic Accreditation
- 2004 - Revised and recompiled Handbook for Clinical Supervisors in Speech/Language Pathology for supervisors in medical settings working with students from this program.
- 2003- Created new supervisory forms and case histories for clients in conjunction with Mrs. Janice Stewart , Mrs. Donna Powell, and Dr. Michaela Ritter. These are now copyrighted for usage and possible publication.
- 2003 -Directed the establishment of "Clinical Competencies" for Baylor University graduate students. Project was completed in August, 2003. This will be utilized by each graduate student's supervisors, both on and off-campus. It is a guide to be utilized for Baylor graduate students as a part of a competency-based learning style which American Speech, Language, Hearing Association is suggesting.
- 2003 - Acquired a total of 56 hours of continuing education from April 2002, to October, 2003. A minimum of 10 hours yearly is required to maintain licensure. Specific topics include: auditory processing disorders, augmentative/alternative communication,

social skills, autism, written language, phonological awareness, issues in speech/language pathology (competencies), stuttering, and supervision.

2003 - Published a pamphlet on *Locations of Internships and Professional Positions performed by Baylor University Communication Sciences and Disorders Students and Graduates*.

2003 - Compiled a pamphlet on *Handbook for Student Interns and Clinical Supervisors in Speech/Language Pathology*, in conjunction with other medical professionals in speech-language pathology including Melissa Able, Angela Carter, Tonya Gaines, and Dr. Kyla Sherrard.

2003 - Wrote and directed a compilation of information for a "Handbook for Clinical Practicum" for Baylor students with input from Mrs. Janice Stewart, Mrs. Donna Powell, and Dr. Michaela Ritter. This was compiled and put in notebook format for graduate students to utilize each semester.

1996 - Aided the department in continuing accreditation from Council of Academic Accreditation

#### *Presentations/Publications:*

2022-23 Working with Dr. Diane Loeb on a poster presentation for Texas Speech-Language and Hearing convention (2023). "Promoting Ethical and Professional Communication in Digital Contexts".

2022 - Presentation with Dr. Diane Loeb, Dr. Steven Moates, Dr. Venessa Grandjean, Dr. Michaela Ritter, and Professor Susan Sherman virtually for Texas Speech-Language and Hearing Convention. "Comparing an Online CSD Master's Program with a Residential CSD Master's Program"

2022 - Contributor on presentation with Dr. Steven Moates, Dr. D'Anna Nowack, and Dr. Melissa Garcia at the Southeastern University Clinical Educator conference. "Challenges and Solutions to Online Clinical Education".

2022-2021 Revised clinical portion of the Graduate handbook and supervisory handbook. Aided in the completion of the online handbook.

2021 - David Rehfeld, Noah Padgett, and Rainer - publication in *Teaching and Learning in Communication Sciences and Disorders*. "Developmental Changes in Graduate Student Supervisory Needs and Expectations: A Longitudinal Investigation."

2021 - David Rehfeld, Janice Stewart, Nadine Welch, Tracy Sulak and Rainer - publication in *Teaching and Learning in Communication Sciences and Disorders* - "A Pilot Investigation of Critical Thinking in Undergraduate Students of Communication Sciences and Disorders".

2021 Presentation with Dr. Diane Loeb, Dr. Steven Moates, Dr. Venessa Grandjean, Dr. Michaela Ritter, and Professor Susan Sherman virtually for American Speech-Language and Hearing Convention. "Comparing an Online CSD Master's Program with a Residential CSD Master's Program"

2020 - Had 3 presentations accepted by American Speech-Hearing and Language Conference; however, due to COVID, the conference was cancelled. These included:

- a. Critical Thinking in the Development of Undergraduate Students in Speech-Language Pathology (currently awaiting possible publication)
- b. Developmental Changes in the Supervision Needs and Expectations of Graduate Students
- c. Online SLP Education: The Good, Bad, and Ugly

2018 - Presented with Dr. Diane Loeb on research student for peer mentoring

2017 - Presented to pediatric gastroenterologists/nutritionists at Baylor Scott and White-Temple regarding feeding program.

2009 - Poster session at Texas Speech, Hearing, and Language Convention with Janice Stewart and Donna Powell. Presentation was on Summer Fun - 3 Summer Camps.

2009 - spoke to high school seniors on campus regarding speech pathology

2007-2008 Co-directed a research study which was presented at Texas Speech, Language, Hearing Convention as a poster session in February, 2008. Whipple, K, Rainer, D., Lemons, R., Darby, E., Massey, A., Devers, C., Woodall, K., Del Toro, R.(2006) A Survey of the Assessment and Treatment Procedures Being Used By University Graduate Programs for Assessing and Treating Patients with Apraxia and Other Articulation Impairments

2005 – Spoke at a Future Teachers of America meeting at a local ISD regarding speech-language pathology

2005 – Stewart, J., and Rainer, D. "Assessment and ARD's", Rite Care and Baylor University Conference on Language and Literacy.

2005 – Rainer, D., guest lecturer. "Cleft Lip and Palate", Introduction to Speech, Hearing, Language class, Baylor University.

2005- Rainer, D., "Speech-Language Pathologists – What Do They Do?", Career Day in a class, Lorena High School.

2004 – Stewart J., Whipple, K., and Rainer, D. "Visual and Auditory Augmentation in Speech and Language Therapy" Texas Speech, Language, Hearing Convention.

2004 – Rainer, D., guest lecturer. "Cleft Lip and Palate", Introduction to Speech, Hearing, Language class, Baylor University.

2003 - Whipple, K. and Rainer, D. "Assessment of Language and Reading Ability", Rite Care and Baylor University Conference on Language and Literacy.

1996 - Whipple, K. and Rainer, D. "Computer Programs for Speech/Language Therapy", Texas Speech, Language and Hearing Convention.

1994 -Whipple, K., Rainer, D., Goza, M., and Six, A. "Language Intervention Strategies with Language/Learning Disabled Students"; Texas Speech, Language and Hearing Association Convention.

1991 -Gateley, G., and Rainer, D. "Treatment of a Favorite Sound Using Multiphonemic Therapy"; Texas Speech, Language and Hearing Association Convention.

*Current  
Research:*

2022-2023 Beginning another project on peer mentoring which will be completed with our graduate students to help determine feeling of belonging within cohorts.

2019-2021 – Completed a project with David Rehfeld from Educational Psychology, Nadine Welch, and Janice Stewart regarding critical thinking skills in university students – changes from freshmen year to graduate school  
Completed a project with Dr. Diane Loeb, Dr. Venessa Grandjean, and Dr. Steven Moats regarding online education for SLP's

2018-2021 – Completed and had a presentation on a project with a doctoral student in Educational Psychology on supervision  
Completed and presented a project with Dr. Diane Loeb on peer mentoring  
Complete a project with Dr. Diane Loeb, Dr. Michaela Ritter, and Jennifer Cole regarding a survey of parents of autistic children

2007-2008 Co-directed a research study which was presented at Texas Speech, Language, Hearing Convention as a poster session in February, 2008. Whipple, K, Rainer, D., Lemons, R., Darby, E., Massey, A., Devers, C., Woodall, K., Del Toro, R.(2006) A Survey of the Assessment and Treatment Procedures Being Used By University Graduate Programs for Assessing and Treating Patients with Apraxia and Other Articulation Impairments

2004-Completed a research project with students comparing results of two different articulation approaches, fall, 2004.

2003 - Completed a research project with graduate students and Dr. Kathy Whipple at a local Headstart facility working with classrooms of four-year old children. One classroom was the control group, one classroom was taught phonological awareness strategies with the aid of an FM system and one classroom was taught phonological awareness strategies without the FM system technology.

2002 - Completed a research project with graduate students and Dr. Kathy Whipple utilizing two groups of children with articulation disorders. One group utilized the Audi-See and one group did not. The research looked at significant differences in each group for treatment efficacy.

2000 - Directed normative sampling data for two tests in speech/language Pathology for Pro-Ed, Inc. during the spring, 2000.

*Conferences/seminars Attended:*

- 2022 - CFCC and ASHA certification webinars on updates to standards (2)  
Human Trafficking/Ethics Course  
Gender Affirming Voice Management for Transgender Persons  
American Speech-Language and Hearing Convention (virtual)
- 2021 - American Speech-Language and Hearing Convention - virtually  
NSSLHA seminar - virtually  
Return to Learn and Beyond : An SLP's Guide to Student TBI and Concussion Management
- 2020 - Texas Speech-Language and Hearing virtually
- 2019 - Texas Speech-Language and Hearing Convention  
NSSLHA Conference (virtual)
- 2018 - Texas Speech-Language and Hearing Convention  
Council of Academic Programs in Speech-Language Pathology conference  
SEUCE conference for Clinical Directors  
American Speech-Language and Hearing Convention  
Baylor's NSSLHA Conference
- 2017 - Council on Academic Programs in Speech-Language Pathology conference  
NSSLHA Conference on Multicultural Issues  
Early Denver Model Introductory Workshop  
Texas Speech-Language and Hearing Convention
- 2016 - Council on Academic Programs in Speech-Language Pathology conference  
NSSLHA conference
- 2015 - Texas Speech-Language and Hearing convention  
NSSLHA annual conference on pediatric feeding  
SEC Clinical Directors' Conference
- 2014 - Texas Speech-Language and Hearing Association Convention  
NSSLHA annual conference on social thinking
- 2013 - Texas Speech, Hearing, and Language Convention  
NSSLHA conference
- 2012 - Feeding Aversions and Food Chaining  
Texas Speech, Hearing, and Language Convention
- 2011 - American Speech, Hearing, and Language Convention  
NSSLHA Annual Conference - Brain Hope for Brain Injury and Ethical Practice  
Texas Speech, Hearing, and Language Convention
- 2010 - NSSLHA Annual Conference on Auditory Verbal Therapy  
Council of Academic Programs for CSD - Clinical Directors
- 2009 - Texas Speech, Language, Hearing Convention
- 2009 - Cleft Lip and Palate/Ethics Conference
- 2008 - Texas Speech, Language, Hearing Convention  
Sensory Integration conference
- 2007 - Texas Speech, Language Hearing Convention
- 2007 - The Lidcombe Method for Stuttering conference
- 2007 - Childhood Apraxia - Fact or Fiction conference

2006 – Texas Speech, Hearing, and Language convention  
2006 – NSSHLA conference on Multicultural Issues  
2005 – Rite Care and Baylor University Language/Literacy Conference- chairman of Continuing Education for this conference  
2005 – Texas Speech, Hearing, and Language convention  
2005 – NSSHLA conference on Stuttering  
2004 - Texas Speech, Hearing, and Language convention  
2004 – NSSHLA conference  
2003 -- Rite Care and Baylor University Language/Literacy Conference- co-chairman for registration and continuing education at this conference  
2003 – Texas Speech, Hearing, and Language convention  
2003 – NSSHLA conference on Stuttering

*Other experience:*

2020-present – Member of the University Committee for Texas Speech-Language and Hearing

Clinical Coordinator/Senior Lecturer at Baylor University Speech, Language and Hearing Clinic from 1990 to present. Duties include: Internship Coordinator, determine all placement sites, schedule graduate clinicians with clients, assist in writing yearly SAC and ASHA report.
