

CURRICULUM VITAE

JEREMY R HATHWAY, BM, MS, CCC-SLP

Jeremy_Hathway@Baylor.edu | Office: 254-710-1350

EDUCATION

BAYLOR UNIVERSITY, Waco, TX. May 2005

Master of Science Communication Sciences and Disorders, Suma Cum Laude

SAM HOUSTON STATE UNIVERISTY, Huntsville, TX. December 2002

Bachelor of Music, Suma Cum Laude with Honors

Major: Music Education Minors: Voice, Choral Certification (All Level)

CURRENT EMPLOYMENT

One Bear Place #97332

Waco, TX 76798-7332

TEACHING EXPERIENCE

Clinical Assistant Professor, Baylor University, August 2018 – present

Classroom Instructor

CSD 3357 – Anatomy and Physiology, Baylor University

Face-to-face: Fall 2018, Spring 2019, Fall 2019, Fall 2021, Spring 2022, Fall 2022

Face-to-face with transition to synchronous online: Spring 2020

Concurrent hybrid and online: Fall 2020, Spring 2021

CSD 5302 Anatomy and Physiology (Leveling), Baylor University – Fall 2021, Fall 2022

CSD 4305 – Technology & Science in CSD, Baylor University – Fall 2022

Clinical Educator/Supervisor

CSD 5149 - Clinical Practicum in Speech Pathology, Baylor University Voice, General and Neurorehabilitation Clinics (aphasia, cognitive, voice and upper airway, speech sound disorders, and resonance evaluation and treatment, artificial larynx training, and child speech and language evaluation), Fall 2018 - Present

Clinical Educator/Supervisor, Texas Voice Center, intermittently between 2011 – 2018

Graduate Student Externs from University of Wisconsin-Madison, Lamar University, and University of Houston

Student Teacher (Choir/General Music), Conroe ISD, Fall 2002

Ride Elementary, The Woodlands, TX

Conroe High School, Conroe, TX

GUEST PRESENTATIONS & LECTURES

Invited Guest Lecturer – Professor Brown’s CSD 4308 Disorders of Speech and Swallowing course: “Voice Disorders”

Baylor University, Spring 2023

Invited Lecture - Jeremy Hathway, Kimberly Monzón, Brittany Perrine, & Lauren Weber, “Vocal Health for Music Educators: prevalence and Prevention of Voice Pathologies in the Music Educator,” Texas Music Educators Association Conference

San Antonio, TX, February 9, 2023

Invited Lecture – Jeremy Hathway, Kimberly Monzón, Brittany Perrine, & Lauren Weber, “Bridging the Gap: Cross-disciplinary Conversations to Benefit the Singer,” 72nd Texoma NATS Regional Conference

West Texas A&M University, Canyon, TX, November 11, 2022

Invited Guest Lecturer - Professor Welch's and Professor Stewart's CSD 1308 Survey of Audiology and Speech Pathology course: "Voice Disorders"

Baylor University, Fall 2022

Invited Guest Lecture and live demonstration - Professor Brown's CSD 4309 Medical Speech Pathology course: "Flexible Endoscopic Evaluation of Swallowing"

Baylor University, Fall 2022

Invited Guest Lecturer - Professor Mangus' Professional Sales Students: "Caring for Your Voice"

Baylor University, Fall 2022

Invited Guest Lecture and live video laryngeal stroboscopic evaluation demonstration - Professor Perrine's CSD 5314 Voice Pathology course: "performance of clinical laryngeal stroboscopic examinations"

Baylor University, Fall 2022

Invited Guest Lecture and live demonstration - Professor Perry's CSD 5314 Voice Pathology course: "Technology in Voice Evaluation – including live demonstrations of objective acoustic measurements using VisiPitch and laryngeal stroboscopic examination"

Baylor University, Summer II 2022

Panel Discussion – Jeremy Hathway, Bradford Holland, Kimberly Monzón, Brittany Perrine, & Lauren Weber, "Multidisciplinary Approaches to Voice Disorders," Baylor University World Voice Day 2022

Baylor University, April 11, 2022

Invited Guest Lecture and live FEES demonstration - Professor Brown's CSD 4309 Medical Speech Pathology course: "Flexible Endoscopic Evaluation of Swallowing"

Baylor University, Spring 2022

Invited Guest Lecture and live FEES demonstration - Professor Brown's CSD 5149 Clinical Methods course: "Flexible Endoscopic Evaluation of Swallowing"

Baylor University, Spring 2022

Invited Guest Lecturer – Professor Stewart's CSD 1308 Survey of Audiology and Speech Pathology course: "Voice Disorders"

Baylor University, Spring 2022

Invited Guest Lecture - Professor Welch's CSD 4305 Technology and Science in CSD course: "Technology in Voice Evaluation"

Baylor University, Spring 2022

Invited Guest Lecturer – Professor Welch's and Professor Stewart's CSD 1308 Survey of Audiology and Speech Pathology (synchronous hybrid presentation): "Voice Disorders"

Baylor University, Fall 2021

Voice Evaluation and Treatment Grand Rounds

Baylor University Clinic, Summer II 2021

Invited Guest Lecturer –Professor Stewart’s CSD 1308 Survey of Audiology and Speech Pathology: “Voice Disorders”

Baylor University, Spring 2021

Voice Evaluation and Treatment Grand Rounds

Baylor University Clinic, Spring 2021

Invited Guest Lecturer – Professor Welch’s and Professor Stewart’s CSD 1308 Survey of Audiology and Speech Pathology (synchronous hybrid presentation): “Voice Disorders”

Baylor University, Fall 2020

Invited Guest Lecturer MUS 1095 (synchronous online presentation) - “Hearing and Vocal Health” - Freshman School of Music NSE

Baylor University Fall 2020

Invited Guest Lecturer (asynchronous online presentation)– “Healthy Vocal Production” - Musical Theater Freshman

Baylor University, Fall 2020

Voice Evaluation and Treatment Grand Rounds

Baylor University Clinic, Summer 2020

Invited Guest Interview – Dr. Perrine’s CSD 5314 Voice Pathology course: “Working with Singers”

Video Recorded, July 2020

Professional Development Presentation - Evaluation and Treatment of Patients with Voice Disorders

Texas Speech-Language-Hearing Association Annual Convention, February 2020

Voice Evaluation and Treatment Grand Rounds

Baylor University Clinic, Spring 2020

Invited Guest Lecturer – 230 minutes in Dr. Garrett’s CSD 5314 Voice Pathology course: “Voice Evaluation and Treatment” and “The Importance of a Strong Understanding of Laryngeal Anatomy and Physiology to Clinical Voice Therapy Practice”

Baylor University, Fall 2019

Invited Guest Lecturer –Dr. Perrine’s CSD 5314 Voice Pathology course: “Voice Evaluation and Treatment” and “Clinical Use and Implications of Laryngeal Endoscopy in the Treatment of Voice Disorders”

Baylor University, Fall 2019

Invited Guest Lecturer – “Healthy Vocal Production” - Musical Theater Freshman

Baylor University, Fall 2019

Invited Guest Lecturer – Professor Welch’s CSD 1308 Survey of Audiology and Speech Pathology: “Voice Disorders”

Baylor University, Fall 2019

Invited Guest Lecturer - “Hearing and Vocal Health” - Freshman School of Music NSE

Baylor University Fall 2019

Neuro/Voice Case Study Grand Rounds – Co-presented with Professor Donna Powell

Baylor University Clinic, Summer 2019

Invited Guest Interview – Survey of Speech Pathology and Audiology: “Voice Disorders”

Video Recorded with 2U for Speech@Baylor Online, May 2019

Voice Evaluation and Treatment Grand Rounds

Baylor University Clinic, Spring 2019

Invited Guest Lecturer – “Healthy Vocal Production” - Musical Theater Freshman

Baylor University, Fall 2018

Invited Guest Lecturer - CSD 1308 Survey of Audiology and Speech Pathology: “Voice Disorders”

Baylor University, Fall 2018

CEU Lecture: “Health & Wellbeing for the Music Therapist”

Interdisciplinary lecture (orthopedist, athletic trainer, and speech pathologist) at the American Music Therapy Association Conference, Dallas, TX, November 17, 2018

CEU Course: “Evaluation and Treatment of Patients with Voice Disorders”

Houston Association of Communication Disorders, February 24, 2018

Guest Lecturer: “Vocal Health”

Sam Houston State University: Student NATS Meeting, April 12, 2017

Teacher In-service: “Preventing Voice Disorders”

Fort Bend ISD Choir and Elementary Music Department Professional Development, February 20, 2017

Teacher In-service: “Preventing Voice Disorders”

Clear Creek ISD Middle School Choir Department Professional Development, January 16, 2017

Teacher In-service: “Preventing Voice Disorders”

Deer Park ISD High School Music Department Professional Development, October 6, 2014

Guest Lecturer: “Speech-Language Pathology and Voice Disorders”

Rice University: Vocal Physiology Class, Houston, TX, Nov. 19, 2010, Nov. 20 & 22, 2011, April 17, 2014

Guest Lecturer: “Introduction to Voice Disorders”

Baylor University: Undergraduate Communication Sciences and Disorders Course, October 17, 2013

Teacher In-service: “Preventing Voice Disorders”

Brownsville ISD Music Department Professional Development, August 21, 2013

Guest Lecturer: “Speech-Language Pathology: Your Voice and How to Keep It Healthy”

University of Houston: Master’s Level Acting Class, Houston, TX November 30, 2011

CEU Course: “Voice Therapy: Master Class” presented with Kay James, MA, CCC-SLP

Houston Association of Communication Disorders, Houston, TX April, 2011

“Your Voice and How to Keep It Healthy” presented with Sharon Radionoff, PhD

ECMMA South Central Regional Conference, Houston, TX, June 19, 2009

“Voice Disorders in Children and Adolescents” presented with Sally McKee, MS, CCC-SLP

Cy-Fair ISD Professional Development Voice Workshop

Texas Voice Center, Houston, TX, January 24, 2009

PREVIOUS WORK EXPERIENCE

Speech-Language Pathologist, Texas Voice Center at Houston Methodist, July 2017 – July 2018

Speech-Language Pathologist & In-Office IT, Texas Voice Center, January 2011 - June 2017

Speech-Language Pathologist, Texas ENT Consultants, April 2007 – December 2010

Supplemental Speech-Language Pathologist, Methodist Hospital Sugar Land, August 2006 – August 2007

Supplemental Speech-Language Pathologist, Premier Staffing – Memorial Hermann Hospital System, July 2006 – August 2007

CF Speech-Language Pathologist, EBS Healthcare - Spring Branch ISD - Woodview Elementary, April 2005 – May 2006

Interim Worship Pastor

Pecan Grove Baptist Church – Richmond, TX

RESEARCH EXPERIENCE

Acoustic and aerodynamic data collection

Texas Voice Center, Houston, TX

Graduate Research and Teaching Assistant

Baylor University, Waco, TX
